National Voter Registration Day is September 24th!

What It's About

Every year millions of Americans find themselves unable to vote because they miss a registration deadline, don’t update their registration, or aren’t sure how to register. National
**Voter Registration Day** wants to make sure everyone has the opportunity to vote. On Tuesday September 24, 2019 volunteers and organizations from all over the country will “hit the streets” in a single day of coordinated field, technology and media efforts. National Voter Registration Day seeks to create broad awareness of voter registration opportunities to reach tens of thousands of voters who may not register otherwise.

See [https://nationalvoterregistrationday.org/about/](https://nationalvoterregistrationday.org/about/) for more information!

**Sandy Hook Promise**

Recently the video below has gone viral, "Sandy Hook Promise is a national non-profit organization founded and lead by several family members whose loved ones were killed at Sandy Hook Elementary School on December 14, 2012." You can visit [Sandy Hook Promise](https://nationalvoterregistrationday.org/about/) for more information.

Are you registered to vote? Registering and updating is vital to making sure your voice is heard. What better way to kick off National Voter Registration Month than to update your information today?

Online Training Is Live

You’ve been waiting for it and now it’s finally here!

This year you can:

☐ Save and continue without having to re-log in
☐ Have the opportunity to rewatch videos and redo quiz if you fail
☐ Know your final score before you leave

Units have until November 1st to complete online training to be considered in good standing. All SOAs are still due at original time.

If you need a freebie code (attended convention but missed a class or paid for bootcamp but didn’t attend) please email training@azpta.org

Thank you to all our units for patiently waiting while we worked diligently on the technical issues!
